Why Should I Consider Video?

Without video on your wedding day, you'll never capture the sound track & excitement of that special day. The toast, special music, the music& emotion of your first dance, the words whispered to one another at the altar you'll miss them all without video.

Things To Consider

- One or two video camera coverage ❑
- Interviews of special guests ❑
- Love Story pictures transferred to video ❑
- Credit roll at the end of the video ❑
- Paper prints can be made from video ❑
